Networking In Worcester

Every fall, UMass CMAA students are afforded a unique opportunity to attend the New England Club Manager's annual meeting and awards dinner. This year, 20 students participated in the dinner and meeting, held at Worcester Country Club in Worcester, MA on October 29.

Upon arrival, Bill Shaw, General Manager at Worcester Country Club, gave UMass CMAA a private tour of the club. After the tour, we caught up with recent alumni graduates from UMass CMAA who were also in attendance. The annual scholarship awards are always a highlight, and this year, three chapter members – President, Rachel Porten, Vice President, Elizabeth Leivi, and member Jacob LeClair – were

Weekend Wedding at Nantucket

Over Columbus Day weekend, five members traveled to Nantucket Island to work at The Westmoor Club. They worked a welcome party Friday night, a wedding on Saturday, and toured the Nantucket Yacht Club on Sunday. It was a unique chance for members to go to Nantucket for the weekend while being able to work two events and tour another club on the island.

awarded a scholarship from the David Meador Scholarship Foundation. The foundation was created in 1975 by members of the Chilton Club in Boston in memory of David, their well-respected manager.

Overall, this event remains an exceptional opportunity to enable students to network and meet club managers from all over New England. Thank you to the NECMA Chapter for being so supportive of our students.

GreatHorse Fundraiser

Hands-on experience is invaluable to students. During the weekend of September 15th, 15 club members worked a four-day Member-Guest Golf Tournament at GreatHorse in Hampden, MA. GreatHorse is a new lifestyle club that is known for its spectacular views of the valley.

While the opportunity to work at such a prestigious golf club is always beneficial, it was particularly helpful to our new members who had no previous experience at a country club setting. The lessons learned and insight gained for both new and returning members provides more of a foundation as we continue our academic careers at Umass.

Not only did we gain experience, but we also raised \$3,500 to help fund the travel for our chapter to attend the CMAA World Conference in Nashville, TN. Thank you to Scott Little from GreatHorse, for continually supporting our chapter.
